North end of Aquatic Park, Berkeley ♿

West end of Addison St., 2 blocks west of Sixth St. • 1 block south of University Ave.

August 6th and 9th are the 71st anniversaries of the world's first atomic bombings. In Japan and around the world, people will gather in early August to float lanterns in remembrance of the victims of Hiroshima and Nagasaki, all victims of war, and all who have gone before us. This moving and beautiful tradition provides a chance to reaffirm our commitment to building a better future.

**The Peace Lantern Ceremony
is a volunteer-created event.**
